

WEBEL TECHNOLOGY LIMITED

NOTICE INVITING e-TENDER

Online Tender documents are invited for WBSWAN MPLS bandwidth for various Government offices across West Bengal.

Reputed Service Provider having sufficient experience and credentials for successful completion of “**Similar Nature**” of work in a Government Department/PSU/Autonomous Body or any reputed organization. Bidder must have adequate manpower for providing proper support service within the stipulated time.

1.	Tender No. & Date	WTL/IT/MPLS/22-23/011 dated 17.06.2022
2.	Tender Version No.	1.0
3.	Brief description of Job	WBSWAN MPLS bandwidth for various Government offices across West Bengal.
4.	Tender Fee	Rs. 10000.00 (Rupees Ten thousand only). The amount to be transferred online through e-tender portal.
5.	Earnest Money Deposit	Rs. 12000000.00 (Rupees One Crore Twenty Lakh only). The EMD/Bid Security should be denominated in Indian Rupee and should be in the form of Bank Guarantee valid for 8 months from the date of Bid Submission.
6.	Date of Downloading/Sale of Tender document	17.06.2022
7.	Pre-Bid Meeting date & time	27.06.2022 at 11.30 Hrs. (On-Line Meeting) <ul style="list-style-type: none">• Pre-Bid meeting will be organizing online platform only. Only queries as per format (Section - J) reaching WTL by 24.06.2022 at 15.00 Hrs. will be taken for decision. Interest bidders are requested to send mail to purchase@wtl.co.in for participation of online pre-bid meeting. Based on request WTL will share meeting id / links for meeting. If there is any change in date and time then will inform.• Only queries as per format (Section - N) reaching WTL by 24.06.2022 at 15.00 Hrs. will be taken for decision.• Queries will be sent to Manager (Purchase) (purchase@wtl.co.in).
8.	Bid Submission Start date & time	05.07.2022 at 13.00 Hrs.
9.	Last date & time of EMD & Tender Fee submission of remittance details	Before uploading of tender
10.	Last date & time of Bid Submission	08.07.2022 at 12.00 Hrs.
11.	Date & time of Technical Bid Opening	11.07.2022 at 11.00 Hrs.
12.	WTL Address	WEBEL TECHNOLOGY LIMITED (A Govt. of West Bengal Undertaking) Plot - 5, Block – BP, Sector – V, Salt Lake City, Kolkata – 700091.
13.	WTL Contact No.	033-23673403-06

WEBEL TECHNOLOGY LIMITED

1. Intending bidder may download the tender documents from the website <https://wbtenders.gov.in> directly with the help of Digital Signature Certificate. Necessary Tender fee may be remitted online through e-tender portal in favour of “Webel Technology Limited” and also to be documented through e-filing. Necessary Earnest Money Deposit (EMD) may be remitted online through e-tender portal in favour of “Webel Technology Limited” and also to be documented through e-filing.
2. Both Techno Commercial Bid and Financial Bid are to be submitted concurrently duly digitally signed in the website <https://wbtenders.gov.in>.
3. Tender documents may be downloaded from website and submission of Techno Commercial Bid and Financial Bid will be done as per Time Schedule stated in Section – C of this Tender Document.
4. The Financial Bid of the prospective Bidder will be considered only if the Techno Commercial Bid of the bidder is found qualified by the Tender Committee. The decision of the ‘Tender Committee’ will be final and absolute in this respect. The list of Qualified Bidders will be displayed in the website.
5. All clarifications / corrigenda will be published only on the <https://wbtenders.gov.in>.

WEBEL TECHNOLOGY LIMITED

CONTENTS OF THE TENDER DOCUMENT

The Tender document comprises of the following:

SECTION – A	SCOPE OF WORK & RESPONSIBILITY
SECTION – B	ELIGIBILITY CRITERIA
SECTION – C	DATE AND TIME SCHEDULE
SECTION – D	INSTRUCTION TO BIDDER
SECTION – E	BID FORM
SECTION – F	TECHNO COMMERCIAL EVALUATION & AWARDDING OF CONTRACT
SECTION – G	GUIDANCE FOR E-TENDERING
SECTION – H	FINANCIAL CAPABILITY OF BIDDER
SECTION – I	BIDDER'S DETAILS
SECTION – J	PRE-BID MEETING QUERY
SECTION – K	LIST OF CLIENTS OF SIMILAR ORDERS
SECTION – L	PROFORMA FOR PERFORMANCE BANK GUARANTEE
SECTION – M	NIT DECLARATION
SECTION – N	BILL OF MATERIAL
SECTION – O	LIST OF LOCATIONS
SECTION – P	BANK GUARANTEE FORMAT FOR EMD
SECTION – Q	TECHNICAL SPECIFICATION OF HUB ROUTER

WEBEL TECHNOLOGY LIMITED

SECTION – A

SCOPE OF WORK & RESPONSIBILITY

BACKGROUND

West Bengal State Wide Area Network was envisaged in 2001 connecting all District Head Quarters (DHQ) with the State Head Quarter (SHQ) over 2 Mbps p2p Leased circuits. Later, in 2007-2008, as a part of NeGP core infrastructure projects, WBSWAN has been extended up to the blocks in a 3-tier hierarchical architecture (SHQ-DHQ-SDHQ-BHQ connectivity). Subsequently, with the increase in demand for bandwidth and technological development, in 2016-17 GoWB has decided to migrate WBSWAN backbone links, along with the important IGR & L&LR office links (894 circuits in total) from P2P to MPLS from BSNL.

Present Scenario

Further in 2019 to mitigate increasing bandwidth requirement, bandwidth upgradation order was placed on BSNL with last mile OFC connectivity for 894 circuits including all WBSWAN vertical POPs (All District, sub division and block Head Quarters in the State), along with 282 BLLRO/ SDLLRO/ DLLRO offices and 199 ADSR/ DSR offices.

At present, apart from the above mentioned MPLS circuits, approximately additional 125 nos MPLS links from various departments have been terminated at the WBSWAN SHQ at Monibahandar. In addition, all Departmental Head quarters, Secretariat and Directorates in Kolkata are connected at the WBSWAN SHQ (about 111 P2P OFC links) for using e-office and other WBSWAN services. In total about 1434 P2P / MPLS circuits are operational in WBSWAN (including vertical WBSWAN POPs, Land and IGR offices, Police offices, Secretariats, Directorates and number of Departmental WANs).

Besides above, NKN (National Knowledge Network) is providing a 10 Gbps data link from their NOC which is pumped in to the districts and serves as redundant link to the WBSWAN MPLS Circuits.

The nodes connected with WBSWAN backbone are using secured internet services of WBSWAN. To provide seamless internet through WBSWAN, central internet feed has been augmented and sourced from various Telecom Service providers. Details have been provided in Annexure II.

Proposed Solution

In order to optimize the bandwidth utilization over WBSWAN backbone and to have a seamless operation, it is now proposed to identify Bandwidth Service Providers (BSP) for all WBSWAN circuits with defined SLA parameters. Depending on the bandwidth requirement / usage history, the new bandwidth allocation shall be done. **The last mile connectivity for the primary links shall be on OFC.**

The commitment period of this contract is for 5 years.

The bidder is required to provide 2 Gbps hub link at the SHQ at Monibahandar with ring architecture. The spoke links (all Dhqs, Sdhqs, Bhqs, Secretariats, directorates, Departmental offices as per Annexure) shall be connected to the Hub Link. The last mile connectivity for all links shall be on OFC.

The bidder is also required to provide 3 Gbps (ILL- 1:1) link with /24 Public IPs at the WBSWAN SHQ for proliferation of internet services to all connected nodes.

All links are to be provided on MPLS Technology in Hub and Spoke topology. The service should include fully meshed any to any MPLS network, network designing, last mile, bandwidth, installation, configuration, hardening, maintenance support, integration with LAN/WAN of various Departments / Govt. Buildings, proactive Link monitoring and reporting, change management, migration, help-desk, training, etc., with

WEBEL TECHNOLOGY LIMITED

service level agreement (SLA) binding the Bidder to maintain uptime and application/service quality commitments.

Out of the 1437 circuits, 570 circuits have redundant links (other than WBSWAN primary circuits). These include 282 nos L&LR, 199 nos IGR, 77 nos Polytechnic colleges and 12 important Government Buildings in Kolkata. Redundant links are being provided at these locations through different service providers (e.g., Airtel, Jio, PGCIL, Sify etc). If the L1 bidder for the upcoming tender and the service provider for redundant link(s) become same, the primary links can be taken from the other qualified bidder(s) at the L1 rate so that the link redundancy can be maintained.

Key Features Required for the MPLS Network:

- Four Classes of Service (CoS) with inter-CoS bursting, enabled throughout the core network.
- Multicasting and IPv6 support.
- Multiple VPNs on a single access line (multi-VRF).
- Support for a wide range of routing protocols (Static, OSPF or BGP).
- Application Traffic Optimization for comprehensive management of applications and services end-to-end
- Resiliency and backup options.
- Layer 3 MPLS VPN options to leverage existing network assets.

Network Infrastructure Sizing & Planning:

The BSP shall establish Managed MPLS Network with 99.5% uptime as per the SLA criteria. The network should support desired hub and spoke, and also any-to-any communication between sites. While designing the network, Bidder should give due consideration to scalability so as to accommodate any expansions in bandwidth or no. of circuits and / or changes in the network architecture in the future as per WTL/ GoWB requirement. Bidder should adapt Future Expansion Design. All links shall be terminated at the central hub at WBSWAN SHQ at Monibhandar, Salt Lake.

Last mile:

For the Primary links, the last mile connectivity shall be on OFC. The Bidder should provide the required NTU/ modem, converters and necessary equipment (patch cords, cables, etc) for commissioning the MPLS link. The bidder should also provide replacement against faulty equipment as per the SLA norms. The CPE with voltage stabilizer / AC to DC converter (as per requirement) etc shall be supplied by the bidder.

HUB location router to be supplied by the L1 bidder for termination of hub link. Details spec of router is attached in Technical Specification (Section -Q). However, the router at each POP shall be supplied and maintained by WTL.

Timeline to meet Bandwidth on Demand:

In case of upgrade requirement, the Bidder should be in a position to upgrade the existing bandwidth within 2 weeks time frame . The payment will be made on prorate basis.

Expected Commissioning Time:

The expected successful commissioning time of ALL links will be within a maximum period of 8 months from the date of placement of work order on the selected bidder. The selected bidder should take all necessary steps to establish network and inform WTL for acceptance of link. If the Bidder does not commission the link within the stipulated time penalty shall be imposed on the bidder as per the T& C of the RFP.

Feasibility of the links/locations:

WEBEL TECHNOLOGY LIMITED

WTL will provide the details of location for the feasibility by the prospective BSPs. BSPs have to provide the location wise feasibility along with the technical bid. Proposals with feasibility below 95% circuits shall be considered as non responsive.

At present some of the links are down for a considerable period . The bidder has to take note of the pending links and commission those links on priority basis. The bidder has to deliberate the methodology of implementation for these links in the Technical bid document

Network Implementation:

- The Bidder should submit their Project Management Plan, monthly project status report, project Resource Allocation plan, closure report, etc for implementing WBSWAN MPLS service.
- Bidder should use IP scheme provided by WBSWAN team of WTL. Bidder should have enough resources to ensure minimum disruption of services.
- Bidder to obtain all necessary right-of-ways and permits for laying of cable, construction of tower and installation of necessary power and telecommunications cabling to implement the proposed solution. BSP should take necessary permission from the respective authority for working at site. WTL/ IT&E department will assist for the same, if required.
- The bidder should undertake, during the period of contract, the relocation/ shifting of links as per requirement.
- Bidder to Provide 24/7 management, monitoring of the links and issue resolution.
- Incorporate a Network Management Systems (NMS) to allow WTL to conduct performance/trend analysis, capacity planning and to receive threshold alarms and event notifications. BSP should provide NMS portal access to WTL through BSPs MPLS intranet cloud as well as over internet. Alternatively, the bidder may use the WBSWAN NMS / validate their logs .
- The newly installed MPLS network shall provide a low-latency, highly reliable, high-speed MPLS service as per the specified bandwidth requirements and as defined by agreed upon Service Level Agreements (SLA). The proposed connection shall be capable of meeting the defined performance standards throughout the entire term of the contract.
- The connectivity provided by the bidder has to be Layer 3 MPLS solution on dedicated ports with 1:1 full duplex committed information rate (CIR) with end point on Ethernet interface. The circuit should be available in full duplex mode with sending and receiving available on the same circuit.
- The selected bidder should notify WBSWAN team in advance regarding planned maintenance/ outages or performance problems and provide status, updates and estimated time to repair in the event of outages or performance degradation. Scheduled repairs or downtime should occur outside of normal operating hours.
- The selected Bidder shall submit the document regarding the site preparation & requirements. All the cabling should be done with proper clamping and should be neat and structured from crone Box (DP) till Router port. The router will be provided by WTL at each location. Link failure due to bidder's internal cabling should be taken care and also resolved by BSP. The site is deemed to be connected only if the acceptance test results are found satisfactory. For every testing or isolation of the site BSP Engineer/Technician must visit at site and resolve the issue.
- The Bidder should notify WTL prior to making any changes in MPLS PE router network devices. If any site(s) (complete or partial network down) becomes down due to wrong configuration at BSP / SI's site, those links are considered as down and penalties will be levied as per SLA. If complete central backhaul connectivity goes down, downtime should be considered for all MPLS branch locations and penalty will be as per SLA.
- All the cabling should be done with proper clamping and shall be neat and structured with pipe. At least last 5 metres of cables to be laid through conduit. It's the bidder responsibility to drill a hole to take the network cables inside in the premises. The network equipments should be preferably installed in the branch communication rack.
- The bidder needs to check the earthing and power supply before installation of their equipment. Ownership, maintenance and upkeep of the equipment are the bidder's responsibility and WTL will not be responsible for any damage to bidder equipment due to voltage fluctuation, UPS malfunction,

WEBEL TECHNOLOGY LIMITED

short circuit, any earthing issue, natural calamities, etc. The bidder also has to arrange for the necessary insurance for the equipment installed at branch premises with no cost to WTL.

- The Bidder shall ensure that all assets including but not limited to equipment, licenses, etc. developed, procured, deployed and created during the term of this Contract are duly maintained and suitably updated, upgraded, replaced with regard to contemporary requirements.
- The Bidder shall obtain all the necessary permissions and adequate approvals and licenses for link commissioning, upgradation, shifting/relocation, use of various software and any copyrighted process/product free from all claims, titles, interests and liens thereon and shall keep the Purchaser indemnified in relation thereto.

Network Monitoring:

- The bidder should provide Dashboard report with following Details.
- Fault Ticket no.
- Total no. of link down incident (daily, Monthly)
- Reason of failure with segregated graph.
- Link availability (Mean down time report) and utilization report.
- Major activities:

Uptime & Latency:

The Bidder must provide 99.5% uptime at all locations (for the Primary Links) with latency (as per SLA standards) to support delay-sensitive applications.

QOS Quality of Service:

The MPLS solution should support end-to-end Quality of Service with inter-CoS burstability. Facility should be there to prioritize / configure quality /class of service parameter on the MPLS network. The bidder should not change any prioritization configured by WBSWAN team.

Security:

Bidder should guarantee absolute network security in the MPLS infrastructure. Bidder should take measures to prevent VPN spoofing and label spoofing so that only locations authorized by WTL (WBSWAN) are members of the network. Bidder should also ensure that the VPN interfaces, routes and contents of packets are hidden from all other VPNs and from the Internet.

The Vendor should provide MPLS network that is completely separate /isolated from that of internet network or Public Domain. Vendor should allow IPSec traffic in its MPLS cloud

Access Violation should be continuously monitored by the bidder on regular basis. The bidder must treat the network information provided in this document as confidential. The bidder will take all precautions to ensure that sensitive details of the network are protected and not disclosed to anybody without prior approval from WTL.

Project Manager: The Bidder should appoint a Single Point of Contact (SPOC) at various hierarchies for placing of order, liaison with WTL / other agencies. The SPOC should be responsible for assurance link availability, new link liaison, feasibility and link delivery. The SPOC will be accountable for link delivery, weekly status report and roadmap targets. He should meet WBSWAN network Team every week for review and status meeting. The SPOC should submit incident management, RCA, problem management report.

WEBEL TECHNOLOGY LIMITED

- Responsible for the smooth project roll out.
- Single point of contact nationwide, for any project related issues.
- Responsible as a single point of contact for any escalations across West Bengal.
- Ensure committed delivery on the project rollout front.
- Ensure committed delivery on the network uptime front.
- Ensure that the project timelines are met in a smooth fashion.

Due Diligence

The bidder is expected to examine all instructions, procedures, manner of bidding, forms, terms and specifications in this RFP. Bid shall be deemed to have been done after careful study and examination of this RFP with full understanding of its implications. The Bid should be precise, complete and in the prescribed format as per the requirement of this RFP. Failure to furnish all information required by this RFP or submission of a Bid not responsive to this RFP in every respect will be at the bidder's risk and may result in rejection of Bid.

Delay in commissioning:

Penalty of 1% of overall implementation cost per location per week to be levied on the BSP in case of delay (in excess of 8 months commissioning timelines) for providing MPLS connection. The penalty will be calculated separately for each location. (Overall implementation cost per link per location is one-time charges (if any) plus annual recurring charges for first year). The penalty charges will be subject to an overall cap of 10% of overall implementation cost of the delayed circuit. If the number of delayed commissioned circuit exceeds 10% of the total number of links (circuits with 10 weeks of overall delay in commissioning), WTL reserves the right to cancel the order and get the implementation job done by other BSP . However, the penalty/LD amount and charge payable to the new vendor shall be realized from the defaulting vendor.

Terms of Payment

Payment terms will be on back-to-back basis, i.e., payment will be made only on receipt of payment from Government of West Bengal. Payment will be made quarterly in arrear after adjusting the amount of penalty calculated for the previous quarter and on receipt of necessary invoice and submission of monthly reports including SLA. In case of termination of services, the payment will be made on pro rata basis for the duration for which the services were provided. For the last quarter, payment shall be reimbursed after adjusting all applicable penalties.

FAULT REPORTING, TROUBLE TICKETING AND CALL CLOSURE PROCEDURE :

1. As the Managed MPLS service is procured from the Service provider, service outage should be reported by BSP to WBSWAN team proactively. The Service Provider HELPDESK shall have a Trouble Ticket opened for the circuit and WTL shall quote the Trouble Ticket Number in all future communication.
2. Upon opening of a Trouble Ticket, Service Provider shall investigate the reported Service Outage and shall promptly rectify the same.
3. In case the Call is related to any WBSWAN equipment or performance, or any repair(beyond the scope of service provider), which would cause a Service Outage, appropriate notice shall be sent to WBSWAN helpdesk.
4. Service Provider shall attempt to resolve all Trouble tickets in accordance to the SLA criteria. The resolution could be repair / replacement or providing a work around which does not hamper the normal productivity of the Network.
5. Upon such rectification, Service Provider shall communicate the same to the WBSWAN team and close the Trouble Ticket. Service Provider shall ensure that call closure is done after WBSWAN team's acknowledgement.
6. In case the trouble ticket is raised by the WBSWAN team directly, it will be reported to the BSP

WEBEL TECHNOLOGY LIMITED

helpdesk/ portal and action to be taken by them as per SLA.

7. The Call Closure report at the end of month/ quarter should be tallied with the WBSWAN NMS report and the verified report shall be sent to the TPA (Third Party Auditor) for WBSWAN for penalty calculation.
8. The service window for all the calls shall be 24x7x365 days.

The Network Management System should provide the following facilities on a 24*7*365 basis:

- Monitoring network status
- Fault diagnosis and display of alarm
- Support for SNMP
- The Network Management tools at the HUB should conform to international standards (SNMP).
- Provide appropriate and adequate reports for monitoring and management of the entire MPLS network including site wise.

Network Security Controls

- The Network should adhere to the following security aspects:
- MPLS Network should carry forward segments which are bound through BGP (Border Gateway Protocol) community.
- Network devices should support IPSEC technology for data confidentiality

Network Disaster Recovery / Business Continuity Plan:

- The Bidder shall have a clear Disaster recovery and Business Continuity Plan and the details shall be shared with WTL, if required.

Service Level Agreement (SLA) Parameters:

- 1. Responsibilities of the Bandwidth Service Provider / System Integrator**
- 1.1. The BSP shall provide seamless connectivity to all blocks, sub-divisions and district offices of WBSWAN and Horizontal offices (as per Annexure I) using MPLS-MNS cloud/circuits including modem / converter.
- 1.2. The BSP will provide fully operational links with dedicated bandwidth capacity as defined for each link and mentioned in Annexure I for all offices.
- 1.3. The BSP shall ensure that the Downtime for the MPLS-MNS Cloud in a quarter is less than or equal to 11 hours and the Uptime in a quarter is 99.5% or more. "Downtime" or "fault duration" constitutes any period of time during which the circuit is unable to transfer data due to the reasons assignable to the network provided by BSP. Downtime of a link shall be calculated based on the data collected by the monitoring tools (NMS) of BSP / WBSWAN. "Uptime" refers to the availability of bandwidth across various segments and will be calculated in accordance with the formula provided in Clause 2 thereof.
- 1.4. BSP shall allow all network protocols, all kinds of traffic and information packets (data/voice/ video) among source and destination end points as per defined bandwidth without causing any inspection / delay / hindrance of the same from any to any network node over WBSWAN MPLS -MNS backbone.
- 1.5. BSP shall monitor the links continuously using their own NMS to ensure the availability of services in terms of this Agreement.
- 1.6. BSP shall comply with all laws, regulations and guidelines in force from time to time for undertaking its services in terms of this Agreement. They have to ensure that the configurations of the MPLS-MNS circuits deployed by them in WBSWAN are in compliance with all regulations and guidelines issued by the Ministry of Electronics and Information Technology, Government of India from time to time.
- 1.7. BSP shall prepare a monthly report containing availability, quality parameters and resolutions of calls and submit the same to WTL within 7th instant of next month. All data will be extracted from the NMS.
- 1.8. BSP shall notify WTL of any service outage/ deterioration of link performance within 10 minutes of its occurrence.
- 1.9. BSP shall ensure that the configuration of the MPLS-MNS circuit shall be in compliance with the Guidelines issued by the Ministry of Electronics and Information Technology, Government of India including amendments thereto, if any.

WEBEL TECHNOLOGY LIMITED

- 1.10. BSP will ensure that WBSWAN MPLS-MNS backbone will be fully secured dedicated MPLS cloud network and will not be connected to any network of other BSP customers.
- 1.11. BSP will ensure that commissioning of MPLS-MNS links as per Annexure I will be completed within 8 months from the date of receiving the order.
- 1.12. WTL or its agent shall be entitled to monitor the work being undertaken by BSP in terms of this Agreement.

2. Calculation of “Uptime”

- 2.1 Uptime shall be calculated based on the following formula:

$$\text{Uptime (in \%)} = 100 \times \frac{[\{\text{Total Available Time per Quarter}\} - \text{Downtime of a Link}]}{[\text{Total Available time per Quarter}]}$$

Note:

1. Total available time per quarter = (24 hours x 30 days x 3 months) – SLA Exclusion Time
2. SLA Exclusion Time is the time lost due to:
 - (i) Unavailability of circuit due to power failure at WBSWAN end; and
 - (ii) Unavailability of circuit due to force majeure conditions specified in this Agreement.
3. Downtime of a Link = Downtime of a particular link in hours.
4. Link failures when reported by the NMS tool shall be added together for each link, every quarter to arrive at the down time for that particular link for the quarter.
5. Quality of any link is measured in terms of latency, packet loss and jitter. The terms are defined as follows:

3. Quality of the link to be provided by BSP

- 3.1 Quality of link and performance parameters to be maintained by BSP for all links and all tiers shall be in terms of the following parameters:

S. No.	Parameters	Minimum Performance Required
1.	Latency	<=50 milliseconds, <= 80 ms (for RF links)
2.	Jitter	<30 milliseconds
3.	Packet Loss	<=1%

3.2 Definition of Latency, Jitter and Packet Loss

Latency

“Latency” refers to the average time required for round-trip packet transfers between two-end points on the selected portions of the Backbone.

Packet Loss

“Packet Loss” refers to the percentage of data /voice / video packets lost over a period of time over a network segment.

Jitter

“Jitter” is calculated as the variance of the round-trip delay measurements by sending out multiple packets over a network segment with equal time spacing between each interval. This is measured using UDP jitter packets or any other methodology used by BSNL.

4. Duties and obligations of WTL

- 4.1 WTL shall be responsible for provision of all access and information under its control that are necessary during the implementation of the work related to the Project.
- 4.2 WTL shall provide to BSP any information reasonably requested by BSP in connection with the Project.

5. Fault booking and Restoration of faults

- 5.1 BSP shall undertake monitoring on the deployed links and in case of any fault observed by it in the links, a fault

WEBEL TECHNOLOGY LIMITED

docket number shall be provided by it to WTL after booking of the fault. The fault docket number shall be communicated by BSP to the central help desk at the WBSWAN State Head Quarter.

- 5.2 BSP shall also communicate a help desk number (toll free) and a call docketing mechanism through web portal for fault booking from customer side as per the requirement.
- 5.3 On receipt of a complaint/ booking of fault by BSP / customer, BSP shall make its best efforts to localize the fault and restore the same at the earliest. The maximum response time shall not exceed 10 minutes for the State Head Quarters and 30 minutes for the other links. The maximum available resolution time shall be 30 minutes for the links connecting the State Head Quarters and 2 hours for other links. WTL shall provide reasonable support for enabling testing of the circuit.
- 5.4 BSP shall test the circuit on its own to the last point feasible and clear the fault docket after rectification of the fault. Circuit shall be presumed as restored when BSP has tested the circuit and cleared the fault docket after finding that the circuit is capable of working properly.
- 5.5 On restoration of the docketed link, the call ticket closure shall be done by BSP and communicated to the central help desk of WBSWAN SHQ at Monibhandar, Salt Lake. Reconciliation of the Downtime (retrieved from authenticated NMS data) will be done by BSP and WTL or its agent on weekly basis. The duration of the fault shall be accounted for accordingly.

6. Penalty

- 6.1 If the Uptime in a quarter is 99.5% or more and the Downtime for a MPLS-MNS circuit in a quarter is less than 11 hours, no penalty will be levied on the quarterly bandwidth charges.
- 6.2
- (a) BSP will ensure 99.5% uptime of SHQ (State Headquarter) link/links for smooth working & functioning of networks. However, in case of link failure, a higher penalty (in terms of rupees) maximum at the rate of 3 (Three) times shall be levied to BSP for disruption of services during prime hours (between 9.00 am to 7.00 pm on Government working days). During non-prime hours (between 7.00 pm to 9.00 am), penalty will be at the rate of 1.5 times (One & half time) shall be levied to BSP.
- (b) For the remaining circuits (other than SHQ), BSP will ensure availability of the network with commitment of 99.5% uptime. However, in case of link failure, a penalty (in terms of rupees) will be at the rate of 1.5 times (one & half times) for the downtime during prime hours (between 9.00 am to 7.00 pm on Government working days). During Non prime business hours (7.00pm – 9.00am) for all days, for each hour of downtime, in excess of 11 hrs per quarter for any link, penalty proportional to the actual downtime shall be levied on the quarterly rental amount
- 6.3 If the link is down during a national emergency or natural disaster or election, Downtime of any link for an hour or more shall be considered as link failure in prime business hour and such Downtime shall be treated as that of a full day (24 Hours) Downtime and proportionate bandwidth charges shall be deducted accordingly from the quarterly payment to be made to BSP.
- 6.4 In addition to what has been provided above, if the Latency, Jitter or Packet Loss in the links provided by BSP exceeds the allowable limits mentioned in section 7.1 for a continuous period of 30 minutes or more, then WTL's account shall be credited on prorata basis by 3 times the period of the non-availability of service (**Outage Period**). The Outage Period shall also be considered as Downtime and penalty will be levied for such period proportionately.
- 6.5 Available MPLS bandwidth shall be of 1:1 compression ratio. In case of non adherence in bandwidth, the link will be considered as improper link and will be considered as down. Down time shall be calculated accordingly. Bandwidth adequacy shall be monitored 24 x 7 through NMS data and real time performance of the services (video, voice and data) and applications.

7. Submission of NMS Reports

Data related to availability, quality parameters and resolution of calls to be submitted by BSP to WTL on weekly / monthly basis. All data to be extracted from NMS. Data validation will be done by WTL or their authorized agency, based on which payment shall be released on quarterly basis.

8. Indemnity

BSP shall indemnify WTL from any claims, demands, actions suits proceedings that may arise from omissions or commissions of any service on their part to be performed and/or observed or any damage made to the networking system or breaches of any law or statutory enactment applicable to the services to be rendered in terms of this Agreement.

9. Termination

- 9.1 This Agreement may be terminated by mutual written agreement between the Parties hereto by providing at least 3 months prior notice in writing.

WEBEL TECHNOLOGY LIMITED

- 9.2 WTL may terminate this Agreement by providing (30) day's written notice to BSP in the following circumstances:
- i. If BSP commits a breach of its obligations under this Agreement and does not remedy such breach within 30 days after written notice has been given to it by WTL; and
 - ii. If BSP becomes incapable of performing its duties and obligations under this Agreement.

10. Effect of Termination

On termination of this Agreement for any reason whatsoever:

- i. WTL shall be entitled to use the circuit as per mutually agreed terms and conditions; and
- ii. BSP shall return to WTL, or as WTL may direct, at the cost of BSP, any document or product belonging to WTL in the possession of BSP.

WEBEL TECHNOLOGY LIMITED

SECTION – D

INSTRUCTION TO BIDDER

1. DEFINITIONS

In this document, the following terms shall have following respective meanings:

“**Acceptance Test Document**” means a document, which defines procedures for testing the functioning of installed system. The document will be finalized with the contractor within 7 days of issuance of the Letter of Award.

“**Bidder**” means any firm offering the solution(s), service(s) and /or materials required in the RFP. The word Bidder when used in the pre award period shall be synonymous with Bidder, and when used after award of the Contract shall mean the successful Bidder.

“**Contract**” is used synonymously with Agreement.

“**Contract Price**” means the price to be paid to the Contractor for providing the Solution, in accordance with the payment terms.

“**Contractor**” means the Bidder whose bid to perform the Contract has been accepted by Tender Committee and is named as such in the Letter of Award.

“**Default Notice**” shall mean the written notice of Default of the Agreement issued by one Party to the other.

“**Fraudulent Practice**” means a misrepresentation of facts in order to influence a procurement process or the execution of a Contract and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial noncompetitive levels and to deprive Gov. of W. Bengal of the benefits of free and open competition.

“**Good Industry Practice**” shall mean the exercise of that degree of skill, diligence and prudence which would reasonably and ordinarily be expected from a reasonably skilled and experienced Operator engaged in the same type of undertaking under the same or similar circumstances.

“**Government**” / “**Gov. of W. Bengal**” means the Government of West Bengal.

“**GoI**” shall stand for the Government of India.

“**GoWB**” means Government of West Bengal

“**Personnel**” means persons hired by the Bidder as employees and assigned to the performance of the Infrastructure Solution or any part thereof.

“**Similar Nature of Work**” means WBSWAN MPLS bandwidth for various Government offices across West Bengal.

“**Project**” means WBSWAN MPLS bandwidth for various Government offices across West Bengal.

“**Services**” means the work to be performed by the Bidder pursuant to this Contract.

“**Interest rate**” means “364 days Government of India (GoI) Treasury Bills” rate.

“**Law**” shall mean any Act, notification, bye law, rules and regulations, directive, ordinance, order or instruction having the force of law enacted or issued by the Central Government and/or the Government of West Bengal or any other Government or regulatory authority or political subdivision of government agency.

“**LOI**” means issuing of Letter of Intent shall constitute the intention of the WTL to place the Purchase Order with the successful bidder.

“**Operator**” means the company providing the services under Agreement.

WEBEL TECHNOLOGY LIMITED

“**Requirements**” shall mean and include schedules, details, description, statement of technical data, performance characteristics, standards (Indian as well as International) as applicable and specified in the Contract.

“**Termination Notice**” means the written notice of termination of the Agreement issued by WTL.

“**WTL**” means Webel Technology Limited a Govt. of W. Bengal undertaking.

“**BSP**” means Bandwidth Service Provider.

“**SI**” means Service Integrator.

2. PRE BID MEETING

Pre Bid Meeting will be held on 27.06.2022 at 11.30 hrs. (**On-Line Meeting**). Bidder can send their queries as per format (Section – J) to Manager (Purchase) (purchase@wtl.co.in). Only the queries received within the stipulated date prior to the Pre Bid Meeting will be answered. Interest bidders are requested to send mail to (purchase@wtl.co.in) for participation of online pre-bid meeting Based on request WTL will share meeting id / links for meeting. If there is any change in date and time then will inform.

3. COST OF BIDDING

The bidder shall bear all costs associated with the preparation and submission of the bid and WTL will no case be responsible for those costs regardless of the conduct or outcome of the bidding process.

4. BID DOCUMENT

Bidder is expected to examine all instructions, forms, terms and requirement in the bid document. The invitation to bid together with all its attachment thereto shall be considered to be read, understood and accepted by the bidder unless deviations are specifically stated in the seriatim by the bidder. Failure to furnish all information required by the bid document or a bid not substantially responsive to the bid document in every respect may result of the bid.

5. AMENDMENT OF BID DOCUMENT

At any time prior to the deadline for submission of proposals, WTL reserves the right to add/modify/delete any portion of this document by issuance of an Corrigendum, which would be published on the website and will also be made available to the all the Bidder who have been issued the tender document. The Corrigendum shall be binding on all bidders and will form part of the bid documents.

6. MODIFICATION AND WITHDRAWAL OF BIDS

As per the bidding process available in the tender.

7. LANGUAGE OF BID & CORRESPONDENCE

The proposal will be prepared by the Bidder in English language only. All the documents relating to the proposal (including brochures) supplied by the firm should also be in English, and the correspondence between the Bidder & WTL will be in English language only. The correspondence by fax/E-mail must be subsequently confirmed by a duly signed formal copy.

8. BIDDER'S SOLUTION

The bidders are requested to study the Bill of Material supplied with this document carefully. While working out the solution the bidder has to work with the broad minimum specification provided in the tender documents, conforming to the model, make and Part number (wherever provided). While submitting the bid the bidder has to detail out all components needed to complete the system BOM. The bidder is required quote for each item retaining all major components/sub system detailed and specified. As the contractor will be responsible for smooth functioning of the system, availability of spares during the tenure of the warranty period have to be take care by the contractor to maintain the guaranteed uptime.

9. EARNEST MONEY DEPOSIT (EMD)/TENDER FEE

The bidder shall furnish Online Receipt against payment of Tender Fees and Earnest Money Deposit.

10. REFUND OF EMD

WEBEL TECHNOLOGY LIMITED

EMD will be refunded to the unsuccessful bidders without interest by following guidelines of circular 3975-F(Y) dated 28/07/2016 on final selection of Successful Bidders.

11. FORFEITURE OF EMD

EMD made by Bidder may be forfeited under the following conditions:

If Bidder withdraws the proposal before the expiry of validity period.

During the evaluation process, if a Bidder indulges in any such activity as would jeopardize the process, the decision of WTL regarding forfeiture of EMD shall be final and shall not be called upon question under any circumstances.

If Bidder violates any of the provisions of the terms and conditions of the proposal.

In the case of a successful Bidder, if Bidder fails to:

- a) Accept the work order along with the terms and conditions.
- b) Furnish performance security.
- c) Violates any of the work conditions of this proposal or indulges in any such activities as would jeopardize the work.
- d) Submitting false/misleading information/declaration/documents/proof/etc.

The decision of WTL regarding forfeiture of EMD shall be final and shall not be called upon to question under any circumstances, besides, forfeiture of EMD even the Bidder will be deferred from participating in any job for a period of one year.

12. FORMS AND FORMATS

The various inputs for the Techno Commercial as Financial Bids are to be submitted in the format specified. The bidder shall use the form, wherever specified, to provide relevant information. If form does not provide space for any required information, space at the end of the form or additional sheets shall be used to convey the said information. For all other cases, the bidder shall design a form to hold the required information.

13. LACK OF INFORMATION TO BIDDER

The bidder shall be deemed to have carefully examined the Bid document to his entire satisfaction. Any lack of information shall not relieve the bidder of his responsibility to fulfill his obligation under the bid. If bidder has any queries relating to bid document then he can send the queries before the Pre Bid Meeting.

14. CONTRACT EXECUTION

On receipt of the Letter of Award the contractor should submit a Performance Bank Guarantee (PBG) equivalent to 10% of the total contract value within three weeks from the date of receipt of Letter of Award/Order. The PBG should be valid for six month more than the warranty period. All delivery of the material will have to be completed within 45 days from the date of acceptance of contract and the contractor has to ensure all activities leading to the commissioning of the contract to be completed within 75 days from the date of award. Subsequent to the award of contract, the contractor will have to arrange for the requisite material as per BOM.

15. LIQUIDATED DAMAGE / PENALTY

As per Section – A

16. LIABILITY

In case of a default on bidder's part or other liability, WTL shall be entitled to recover damages from the Contractor. In each such instance, regardless of the basis on which WTL is entitled to claim damages from the Contractor (including fundamental breach, negligence, misrepresentation, or other contract or tort claim), Contractor shall be liable for no more than:

- Payment referred to in the Patents and Copyrights clause.
- Liability for bodily injury (including death) or damage to real property and tangible personal property limited to that cause by the Contractor's negligence.
- As to any other actual damage arising in any situation involving non-performance by Contractor pursuant to or in any way related to the subject of this Agreement, the charge paid by WTL for the individual product or Service that is the subject of the Claim. However, the contractor shall not be liable for
- For any indirect, consequential loss or damage, lost profits, third party loss or damage to property or loss of or damage to data.

WEBEL TECHNOLOGY LIMITED

For any direct loss or damage that exceeds the total payment for Contract Price made or expected to be made to the Contractor hereunder.

17. SUSPENSION OF WORK

WTL shall have the power at any time and from time to time by notice to the Contractor to delay or suspend the progress of the work or any part of the work due to any other adequate reasons and on receipt of such notice the contractor shall forthwith suspend further progress of the work until further notice from WTL. The Contractor shall recommence work immediately after receiving a notice to do so from WTL. The whole or any part of the time lost for such delay or suspension shall, if WTL in its absolute discretion thinks fit, but not otherwise, be added to the time allowed for completion.

18. TERMS OF PAYMENT

Payment terms will be on back-to-back basis, i.e., payment will be made only on receipt of payment from relevant customer.

19. GOVERNING LAWS

This contract should be governed by and interpreted by Arbitration clause in accordance with Laws in force in India. The courts at Kolkata shall have exclusive jurisdiction in all matters arising under the contract. The selected vendor shall keep himself fully informed of all current national, state and municipal law and ordinances. The selected vendor shall at their own expense, obtain all necessary permits and license and pay all fees and taxes required by law. These will be selected vendor's entire obligation regarding any claim of infringement. The selected vendor hereto agrees that it shall comply with all applicable union, state and local laws, ordinances, regulations and codes in performing its obligations hereunder, including the procurement of licenses, permits certificates and payment of taxes where required. The selected vendor shall establish and maintain all proper records (particularly, but without limitation, accounting records) required by any law, code/practice of corporate policy applicable to it from time to time including records and returns as applicable under labor legislation.

20. CORRUPT OR FRAUDULENT

The Tender Committee requires that the bidders under this Tender observe the highest standards of ethics during the procurement and execution of such contracts. For this purpose the definition of corrupt and fraudulent practices will follow the provisions of the relevant laws in force. The Tender Committee will reject a proposal for award if it detects that the bidder has engaged in corrupt or fraudulent practices in competing for the contract in question. The Tender Committee will declare a firm ineligible, either indefinitely or for a stated period of time, if it at any time determines that the firm has engaged in corrupt and fraudulent practices in competing for, or in executing, a contract.

21. BIDDING CLAUSE

All decisions taken by the Tender Committee regarding the processing of this tender and award of contract shall be final and binding on all parties concerned.

The Tender Committee reserves the right:

- To vary, modify, revise, amend or change any of the terms and conditions mentioned above and,
- To reject any or all the Tender/s without assigning any reason whatsoever thereof or to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for such decision.

22. WORKMEN'S COMPENSATION

In every case in which by virtue of the provision of the workmen's compensation Act 1923 or any other relevant acts and rules, compensation to a workmen employed by the contractor, is payable, then this should be done by the Contractor. If WTL is obliged to make any compensation under the said rules and acts, then the amount shall be recovered without prejudice, from the bills and due of the Contractor. WTL shall not be bound to contest any claim made against the Contractor in respect of workmen's compensation.

23. CONTRACTOR'S EMPLOYEES

The Contractor shall comply with the provision of all labour legislation including the requirement of the payment of Wage Act 1936 and the rules framed there under and modifications thereof in respect of men employed by him in carrying out the contract. The Contractor must ensure that he complies with PF, ESI regulation for all his deployed employees. The Contractor shall see that all authorized Sub Contractors under him similarly complied with the above requirement.

24. SAFETY MEASURES

WEBEL TECHNOLOGY LIMITED

The Contractor shall in the course of execution of the work take all necessary precaution for the protection of all persons and property. The Contractor shall take adequate measures to protect the work and prevent accident during the work. In the event of any accident to any person or persons or damage or injury of any description to any person or property due to failure on the part of the contractor in taking proper precautionary measures the contractor shall be responsible for and must make good the loss the damage at his own cost to the satisfaction of the department and employees of the department shall be indemnified from all claims or liabilities arising there from or any expenses incurred on account thereof.

25. EQUIPMENT

All tools & tackles necessary for the work shall have to be procured by the contractor unless otherwise specified elsewhere in these tender documents. The equipment used by the contractor for a particular work must be appropriate for the type of work. The contractor shall maintain the equipment used on the work properly so that they are in good working condition. In no case shall the contractor use defective or imperfect equipment in the work. The contractor shall arrange to replace or repair all defective equipment so that the progress of the work is not hampered. No defective equipment should be left at the site of work and the department shall not be responsible for any loss or damage to any of these equipments during the course of the execution of the work.

26. SUB-CONTRACT

The purchaser (WTL) does not recognize the existence of Sub-Contractors. The Contractor's responsibility is not transferable. No consortium is allowed.

27. TERMINATION FOR DEFAULT

WTL may without prejudice to any other remedy or right of claim for breach of contract by giving not less than 30 days written notice of default sent to the contractor, terminate the order in whole or in part. If the contractor materially fails to render any or all the services within the time period specified in the contract or any extension thereof granted by WTL in writing and fails to remedy its failure within a period of thirty days after receipt of default notice from WTL. If the project (delivery, commissioning as well as warranty maintenance support is not carried out according to specification due to deficiency in service as per terms of the contract. In such case WTL will invoke the amount held back from the contractor as PBG.

28. BANKRUPTCY

If the contractor becomes bankrupt or have a receiving order made against him or compound with his creditors or being a corporation commence to be wound up, not being a voluntary winding up for the purpose only or amalgamation or reconstruction, or carry on their business under a receiver for the benefit of their creditors or any of them, WTL shall be at liberty to terminate the engagement forthwith without any notice in writing to the contractor or to the liquidator or receiver or to any person in whom the contractor may become vested and without any compensation to give such liquidator or receiver or other person the option of carrying out the engagement subject to their providing a guarantee for the due and faithful performance of the engagement up to an amount to be determined by WTL.

29. FORCE MAJEURE

It is hereby defined as any cause, which is beyond the control of the Contractor or WTL as the case may be, which such party could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as

- War, Hostilities or warlike operations (whether a state of war be declared or not), invasion, act of foreign enemy and civil war.
- Rebellion, revolution, insurrection, mutiny, usurpation of civil or military, government, conspiracy, riot, civil commotion and terrorist area.
- Confiscation, nationalization, mobilization, commandeering or requisition by or under the order of any government or de facto authority or ruler, or any other act or failure to act of any local state or national government authority.
- Strike, sabotage, lockout, embargo, import restriction, port congestion, lack of usual means of public transportation and communication, industrial dispute, shipwreck, shortage of power supply epidemics, quarantine and plague.
- Earthquake, landslide, volcanic activity, fire flood or inundation, tidal wave, typhoon or cyclone, hurricane, nuclear and pressure waves or other natural or physical disaster.

If either party is prevented, hindered or delayed from or in performing any of its obligations under the Contract by an event of Force Majeure, then it shall notify the other in writing of the occurrence of such event and the circumstances of the event of Force Majeure within fourteen days after the occurrence of such event. The party who

WEBEL TECHNOLOGY LIMITED

has given such notice shall be excused from the performance or punctual performance of its obligations under the Contract for so long as the relevant event of Force Majeure continues and to the extent that such party's performance is prevented, hindered or delayed.

The party or parties affected by the event of Force Majeure shall use reasonable efforts to mitigate the effect of the event of Force Majeure upto its or their performance of the Contract and to fulfill its or their obligation under the Contract but without prejudice to either party's right to terminate the Contract.

No delay or nonperformance by either party to this Contract caused by the occurrence of any event of Force Majeure shall.

- Constitute a default or breach of the contract.
- Give rise to any claim for damages or additional cost or expense occurred by the delay or nonperformance. If, and to the extent, that such delay or nonperformance is caused by the occurrence of an event of Force Majeure.

30. PERFORMANCE BANK GUARANTEE (PBG)

As a guarantee for timely delivery, installation and commissioning of equipment as well as performance of on-site warranty support, as mentioned in Bill of Material, from the date of final acceptance of systems and pertaining to proper running of the systems, the bidder will have to submit 3% of the contract value as security in the form of Performance Bank Guarantee from any nationalized bank as per format enclosed (Section – L).

31. NO WAIVER OF RIGHTS

Neither the inspection by WTL or any of their agents nor any order by WTL for payment of money or any payment for or acceptance of the whole or any part of the works by WTL, nor any extension of time, nor any possession taken by WTL shall operate as a waiver of any provision of the contract or of any power reserved to WTL, or any right to damages here in provided, nor shall any waiver of any breach in the contract be held to be a waiver of any other subsequent breach.

32. ENFORCEMENT OF TERMS

The failure of either party to enforce at any time any of the provision of this contract or any rights in respect thereto or to exercise any option here in provided shall in no way be construed to be a waiver to such provisions, rights or options or in any way to affect the validity of the contract. The exercise by either party of any of its rights herein shall not preclude or prejudice either party from exercising the same or any other right it may have hereunder.

33. PERIOD OF VALIDITY OF OFFER

For the purpose of placing the order, the proposals shall remain valid till 180 days. During the period of validity of proposals, the rates quoted shall not change. In exceptional circumstances, WTL may ask for extension of the period of validity and such a request shall be binding on Bidders. WTL's request and the response to such a request by various Bidders shall be in writing. A Bidder agreeing to such an extension will not be permitted to increase its rates.

34. TAXES & DUTIES

- The prices shall be inclusive of all taxes & levies including GST and other statutory duties as applicable. Rate of taxes should be indicated separately in the Price Bid.
- Contract Price specified in Price Bid should be based on the taxes & duties and charges prevailing at the date one day prior to the last date of Bid submission.
- Statutory deduction, wherever applicable, shall be made from invoice as per government rules. Necessary certificate will be issued for such deductions.
- Bidder submitting a bid shall produce valid statutory documents / certificates with respect to GST, Income Tax, ROC, Prof. Tax, Trade Licence, etc. All such documents / certificates shall remain valid on the last date of tender submission.
- In case of inter-state transaction, WTL will provide "Waybill". However, statutory charges, if any will be borne by the bidder.
- GST component of the invoice of the bidder may be kept on hold in case there is any mismatch / irregularity in GST return filing on the part of the bidder.

35. DISCREPANCIES IN BID

- Discrepancy between description in words and figures, the rate which corresponds to the words quoted by the bidder shall be taken as correct.
- Discrepancy in the amount quoted by the bidder due to calculation mistake of the unit rate then the unit rate shall be regarded as firm.

WEBEL TECHNOLOGY LIMITED

- Discrepancy in totaling or carry forward in the amount quoted by the bidder shall be corrected.

36. BID DUE DATE

The online tender has to be submitted not later than the due date and time specified in the Important Dates Sheet. WTL may, at its discretion, on giving reasonable notice by fax, or any other written communication to all prospective bidders who have been issued the bid documents, extend the bid due date, in which case all rights and obligations of the WTL and the bidders, previously subject to the bid due date, shall thereafter be subject to the new bid due date as extended.

37. LATE BID

Any proposal received by WTL after the deadline for submission of proposals may not be accepted.

38. OPENING OF BID BY WTL

Bids shall be opened and downloaded electronically through operation of the process in the e-Tender portal in the presence of the Tender Committee. Bidders interested to remain present during electronic bid opening may attend the bid opening session at WTL premises at the scheduled date & time.

39. CONTACTING WTL

Bidders shall not approach WTL officers beyond office hours and/or outside WTL office premises from the time of the bid opening to the time of finalization of a successful bidder. Any effort by a bidder to influence WTL office in the decision on bid evaluation, bid comparison or finalization may result in rejection of the bidder's offer. If the bidder wishes to bring additional information to the notice of WTL, it should be in writing following the procedure mentioned hereinabove.

40. WTL'S RIGHT TO REJECT ANY OR ALL BIDS

WTL reserves the right to reject any bid and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability and without giving any reason therefor for the same to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for such decision.

41. BID CURRENCIES

Prices shall be quoted in Indian Rupees, inclusive of all prevailing taxes, levies, duties, cess etc.

42. PRICE

- Price should be quoted in the Price Bid format only. No deviation in any form in the Price Bid sheet is acceptable.
- Price quoted should be firm, inclusive of packing, forwarding, insurance and freight charges.
- Percentage/specified amount of taxes & duties should be clearly mentioned otherwise WTL reserves the right to reject such vague offer.
- Price to be quoted inclusive of supply, installation & commissioning charges.

43. PRICE TO BE QUOTED

The OTC for RF links must not exceed 15% of the Annual Rental Charges and OTC for the MPLS circuits with last mile OFC connectivity must not exceed 30% of the Annual Rental Charges for the circuit.

44. CANVASSING

Canvassing or support in any form for the acceptance of any tender is strictly prohibited. Any bidder doing so will render him liable to penalties, which may include removal of this name from the register of approved Contractors.

45. NON-TRANSFERABILITY OF TENDER

This tender document is not transferable.

46. FORMATS AND SIGNING OF BID

The original and all copies of the proposals shall be neatly typed and shall be signed by an authorized signatory(ies) on behalf of the Bidder. The authorization shall be provided by written Power of Attorney accompanying the proposal. All pages of the proposal, except for un-amended printed literature, shall be initialed by the person or persons signing the proposal. The proposal shall contain no interlineations, erasures or overwriting. In order to correct errors made by the Bidder, all corrections shall be done & initialed with date by the authorized signatory after striking out the original words/figures completely.

WEBEL TECHNOLOGY LIMITED

47. WITHDRAWAL OF BID

Bid cannot be withdrawn during the interval between their submission and expiry of Bid's validity period. Fresh Bid may be called from eligible bidders for any additional item(s) of work not mentioned herein, if so required.

48. INTERPRETATION OF DOCUMENTS

If any bidder should find discrepancies or omission in the specifications or other tender documents, or if he should be in doubt as to the true meaning of any part thereof, he shall make a written request to the tender inviting authority for correction/clarification or interpretation or can put in a separate sheet along with his technical bid document.

49. SPLITTING OF THE CONTRACT AND CURTAILMENT OF WORK

WTL reserve the right to split up and distribute the work among the successful bidders and to curtail any item of work in the schedule partly or fully.

50. PREPARATION OF TENDER

Tender shall be submitted in accordance with the following instructions:

- a) Tenders shall be submitted in the prescribed forms. Digital signatures shall be used. Where there is conflict between the words and the figures, the words shall govern.
- b) All notations must be in ink or type written. No erasing or overwriting will be permitted. Mistakes may be crossed out and corrections typed or written with ink adjacent thereto and must be initialed in ink by the person or persons signing the tender.
- c) Tenders shall not contain any recapitulation of the work to be done. Alternative proposals will not be considered unless called for. No written, oral, telegraphic or telephonic proposals for modifications will be acceptable.
- d) Tenders shall be uploaded as notified on or before the date and time set for the opening of tenders in the Notice Inviting Tenders.
- e) Tenders subject to any conditions or stipulations imposed by the bidder are liable to be rejected.
- f) Each and every page of the tender document must be signed with company seal by the bidder.
- g) Any bidder may withdraw his tender by written request at any time prior to the scheduled closing time for receipt of tenders and not thereafter.

51. ERASURES OR ALTERNATIONS

The offers with overwriting and erasures may make the tender liable for rejection if each of such overwriting/erasures/manuscript ions is not only signed by the authorized signatory of the bidder. There should be no hand-written material, corrections or alterations in the offer. Technical details must be completely filled up. Correct technical information of the product being offered must be filled in. Filling up of the information using terms such as "OK", "accepted", "noted", "as given in brochure/manual" is not acceptable. The Customer may treat offers not adhering to these guidelines as unacceptable. The Customer may, at its discretion, waive any minor non-conformity or any minor irregularity in the offer. This shall be binding on all bidders and the Tender Committee reserves the right for such waivers.

52. COMPLIANCE WITH LAW

The contractor hereto agrees that it shall comply with all applicable union, state and local laws, ordinances, regulations and codes in performing its obligations hereunder, including the procurement of licenses, permits certificates and payment of taxes where required. The contractor shall establish and maintain all proper records (particularly, but without limitation, accounting records) required by any law, code/practice of corporate policy applicable to it from time to time including records and returns as applicable under labor legislation.

53. CLARIFICATION OF BIDS

During evaluation of the bids, the Customer/Tender Committee, at its discretion may ask the bidder for clarification of its bid. The request for the clarification and the response shall be in writing (fax/email) and no change in the substance of the bid shall seek offered or permitted.

54. GENERAL TERMS

- a) All the pages of the bid document including documents submitted therein must be duly signed and stamped failing which the offer shall be liable to be rejected.
- b) All the documents to be submitted by the bidder along with their offer should be duly authenticated by the person signing the offer and if at any point of time during procurement process or subsequently it is detected that documents submitted are forged/tampered/manipulated in any way, the total responsibility lies with the bidder and WTL reserves the full right to take action as may be deemed fit including rejection of the offer and such case is to be kept recorded for any future dealing with them.

WEBEL TECHNOLOGY LIMITED

- c) No Technical/Commercial clarification will be entertained after opening of the tender.
- d) Overwriting and erasures may make the tender liable for rejection if each of such overwriting/erasures/manuscript is not only signed by the authorized signatory of the bidder. All overwriting should be separately written and signed by the authorized signatory of the bidder.
- e) Quantity mentioned in the tender document is indicative only and orders shall be placed subject to actual requirement. WTL reserve the right to increase or decrease the quantity specified in the tender.
- f) WTL reserve the right to reject or accept or withdraw the tender in full or part as the case may be without assigning the reasons thereof. No dispute of any kind can be raised the right of buyer in any court of law or elsewhere.
- g) WTL reserve the right to ask for clarification in the bid documents submitted by the bidder. Documents may be taken if decided by the committee.
- h) No dispute by the bidders in regard to Technical/Commercial points will be entertained by WTL and decision taken by the Tender Committee will be final.
- i) Discrepancy in the amount quoted by the bidder due to calculation mistake, the unit rate shall be regarded as firm and the totaling or carry in the amount quoted by the bidder shall be corrected accordingly.
- j) The price offers shall remain firm within the currency of contract and no escalation of price will be allowed.
- k) The acceptance of the tender will rest with the accepting authority who is not bound to accept the lowest or any tender and reserves the right to reject in part or in full any or all tender(s) received and to split up the work among participants without assigning any reason thereof.
- l) The customer/WTL at its discretion may extend the deadline for the submission of Bids.
- m) The Court of Kolkata only will have the jurisdiction to deal with and decide any legal matters or dispute whatsoever arising out of the contract.

SECTION – F

TECHNO COMMERCIAL EVALUATION & AWARDING OF CONTRACT

1. EVALUATION PROCEDURE

- The Eligibility Criteria (Section – B) will be evaluated by Tender Committee and those qualifying will be considered for further evaluation.
- The Tender Committee shall verify the Technical Specification for Hub Router (Technical Specification with Compliance Statement, Section – Q). Deviation in specification shall not be allowed. Bidder qualified shall be considered for further evaluation.
- The Tender Committee would evaluate the Techno Commercial Evaluation. In order to facilitate the evaluation, the marking scheme presented is an indication of the relative importance of the evaluation. Bidders securing a minimum of **70%** marks in the Techno Commercial Evaluation shall qualify.
- Bidders after qualifying in Techno Commercial Evaluation will only be considered for Financial Bid Evaluation.

2. Techno Commercial Evaluation

The evaluation methodology would take into consideration both the Techno Commercial responsiveness as well as the financial response. During the evaluation process, the evaluation committee will assign each desirable/preferred feature a whole number score for the Techno Commercial Bid as defined in the table below:

Sl. No.	Parameter	Max Score	Details	Break Up
A	Organization Capability			
A1	Organizational Profile of the BSPs			
	Existing Infrastructure (No of POPs/ NIB for BSP across the state (Supporting documents with location details/Address/ phone no. to be submitted). Presence of personnel / office without Network Infrastructure in a customer site would not be considered as Infrastructure presence	10	Presence in Kolkata only	3
			Presence in Kolkata, Siliguri / North Bengal and 5 other districts	7
			Presence in Kolkata, Siliguri / North Bengal and 8 other districts or more	10
A2	Financial Profile of the Bidder			
i..	Average turnover for three financial years (FY – 2017-18, 2018-19 & 2019-20)	10	From 500 up to 1000 Crores	5
			More than 1000 up to 2500 Crores	8
			More than 2500 crores	10
ii.	Experience in executing MPLS (WAN) projects in India. Completed / Running /Awarded Projects as on 31 st December 2020- each project of value > = 25 cr	10	3 projects	4
			5 projects	8
			More than 5 projects	10
B	Technical Capability			
B1	Technical Solution through presentation			
	Solution offered conforming to this RFP. Solution documents to be submitted	40	Presentation given by the bidder	5
			Network solution Plan	5
			Network Monitoring Plan	10
			SLA adherence Plan	10
			Maintenance and hardware replacement plan	10
B2	Last mile feasibility	15	L2 Feasibility for 95% - 97% links	8

WEBEL TECHNOLOGY LIMITED

			L2 Feasibility for > 97% up to 99% links	10
			L2 Feasibility for > 99% links	15
B3	Experience in executing large WAN Nodes			
	Total No. of WAN nodes handled in a single work order – Completed / Running / Awarded Projects within last 3 years	10	Network having 100 WAN nodes up to 200 WAN nodes	4
			Network having more than 200 and up to 500 WAN nodes	6
			Network having more than 500 WAN nodes and up to 1000 nodes	8
			Network having more than 1000 WAN nodes	10
B4	Technical Manpower			
8.	List of technical resources proposed for this project (with qualification and experience). Details given below.	5	Project Manager	2
			Technical Resource (Each CV 0.5 points x 6 CVs for Technical Resource personnel)	3

The manpower details given below:

Sr.	Manpower	Details
1.	Project Manager (to be deployed at WBSWAN SHQ NOC)	Qualification: BE/B. Tech with Certification in Network Management with Project lead experience in 2 projects of similar nature and size. Experience: 8+ years. CV should be maximum 2-3 pages. Experience in working for large WAN projects preferred.
2.	Technical Resource	Technical resources to be deployed in the project: Qualification BE /B. Tech/Diploma with certification in Network Management with 5 + years experience. CV should be maximum of 2 pages. Relevant experience in managing all aspects of IT / Network infrastructure / Network Security is required.

All claims to be supported by relevant documents / certificates. Onus of substantiating claims lies with the bidder.

3. FINAL EVALUATION

Financial Proposal of the bidders qualifying in the evaluation of Techno Commercial Evaluation will be opened and evaluated. The bidder who has qualified in the Techno Commercial Evaluation and returns with lowest quote (L1) in Financial Bid will normally be awarded the contract subject to Post Qualification.

4. AWARDING OF CONTRACT

An affirmative Post Qualification determination will be prerequisite for award of the contract to the most overall responsive bidder. A negative determination will result in rejection of bidder's bid, in which event the WTL will proceed to the next lowest evaluated bidder to make a similar determination of that bidder's capability to perform satisfactorily. WTL will award the contract to the successful bidder whose bid has been determined to be substantially responsive after final negotiation may held with the most responsive bidder, if required. This is a turnkey job in a nature, so bidder(s) to quote all the items mentioned in the tender document, which can ensure single point contact / sole responsibility of the bidder(s) towards project execution. The successful bidder (s) will have to give security deposit in the form of Performance Bank Guarantee.

5. POST QUALIFICATION

The determination will evaluate the Bidder's financial, technical, design, integration, customization, production, management and support capabilities and will be based on an examination of the documentary evidence of the Bidder's qualification, as well as other information WTL deems necessary and appropriate. This determination may include visits or interviews with the Bidder's client's reference in its bid, site inspection, and any other measures. At the time of post-qualification, Directorate of es may also carry out tests to determine that the performance or functionality of the Information System offered meets those stated in the detailed Technical Specification.

WEBEL TECHNOLOGY LIMITED

SECTION – G

GUIDANCE FOR E-TENDERING

Instructions / Guidelines for electronic submission of the tenders have been annexed for assisting the Bidders to participate in e-Tendering.

- **Registration of Bidder:**

Any Bidder willing to take part in the process of e-Tendering will have to be enrolled & registered with the Government e-Procurement System through logging on to <https://wbtenders.gov.in>. The Bidder is to click on the link for e-Tendering site as given on the web portal.

- **Digital Signature Certificate (DSC):**

Each Bidder is required to obtain a Class-II or Class-III Digital Signature Certificate (DSC) for submission of tenders from the approved service provider of the National Informatics Centre (NIC) on payment of requisite amount. Details are available at the Web Site stated above. DSC is given as a USB e-Token.

- The Bidder can search & download N.I.T. & BOQ electronically from computer once he logs on to the website mentioned above using the Digital Signature Certificate. This is the only mode of collection of Tender Documents.

- **Participation in more than one work:**

A prospective bidder shall be allowed to participate in the job either in the capacity of individual or as a partner of a firm. If, found to be applied severally in a single job all the applications will be rejected.

- **Submission of Tenders:**

Tenders are to be submitted through online to the website stated above in two folders at a time, one in Techno Commercial Proposal & the other is Financial Proposal before the prescribed date & time using the Digital Signature Certificate (DSC). The documents are to be uploaded virus scanned copy duly Digitally Signed. The documents will get encrypted (transformed into non readable formats)

The proposal should contain scanned copies of the following in two covers (folders).

Techno Commercial Cover:

Technical Document1 (scanned & join in pdf format then upload)

1. Supporting documents of Eligibility Criteria

Technical Document2 (scanned & join in pdf format then upload)

1. N I T Declaration duly stamped & signed in bidder's letter head, Section – M
2. Supporting documents of Eligibility Criteria

Technical Compliance (scanned & joins in pdf format then upload)

1. Bid Form as per format (Section – E)
2. Technical Specification Compliance Statement (Section – Q)

Financial Cover:

BOQ will be downloaded and same will be uploaded with quoted rates. While uploading BOQ file name shall remain unchanged. Absence of this document shall lead to summary rejection of the bid.

NON-STATUTARY COVER (MY SPACE) CONTAIN FOLLOWING DOCUMENT:

TECHNICAL SPECIFICATION COMPLIANCE STATEMENT

(Tender No. WTL/IT/MPLS/22-23/011)

Minimum Specification for Hub Router

Qty.		1 No.	
Make			
Model			
Sr. No.	Technical Specification (Minimum Specification)	Specification (Quoted / Applicable – by the bidder)	Compliance (Yes/No)
1	Router should be modular in architecture with 4 x 1G interfaces plus 2x 10G interface. Minimum 1 slot should be free for future expansion. With 3 years comprehensive onsite warranty.		
i)	10G BASE-SR XFP MODULE FOR CORE ROUTER – 4Nos		
2	The router should support minimum of 10 Gbps of IPv4 forwarding throughput from day 1		
3	Data Center devices should be deployed in HA mode with Active/Active		
4	Should have redundant Internal hotswappable power supplies.		
5	Should support minimum 4000 IPsec tunnels		
6	Should support min 8GB DRAM (upratable to 32GB) and 8 GB flash/SSD memory		
7	Router should be capable of upgrading to SD-WAN with software/license upgrades only		
8	Shall support Routing protocols like RIP ver1 & 2 OSPF ver2.		
9	Multicast routing protocols support: IGMPv1, v2, PIM-SM and PIM-DM.		
10	Shall support IPv6 features: DHCPv6, IPv6 QoS, and OSPFv3 for IPv6.		
11	Shall support IP Accounting features		
12	Shall support QoS, Class-based Weighted Fair Queuing, Weighted Random Early Detection, PBR, FEC, CoS Marking		
13	Shall support the following		
14	AAA support using Radius and/or TACACS		
15	GRE		
16	IPSec		
17	Multiple privilege level authentication for console and telnet access		

WEBEL TECHNOLOGY LIMITED

18	The device should work in standalone Mode, however, if needed, it should be able to work in SDWAN mode with controller		
19	Shall have support for management thru Telnet, SSH, Secure Web based management thru HTTPS and SNMPv3 and Out of band management through Console and external modem for remote management		
20	Should provide a provision to analyse IP service levels for IP applications and services by using active traffic monitoring (the generation of traffic in a continuous, reliable, and predictable manner) for measuring network performance		
21	Should support flow-based traffic analysis of applications, hosts, performance-based measurements on application and network latency, quality of experience metrics for network-based services such as voice over IP (VoIP) / video.		
22	The device should work in SD-WAN Mode managed by controller. However if required it should work as standalone routing platform without controller.		
23	Should have the ability to monitor events and take informational, corrective, action when the monitored events occur or when a threshold is reached.		
24	The router shall conform to UL 60950 or IEC 60950 or CSA 60950 or EN 60950 Standards for Safety requirements of Information Technology Equipment.		
25	The router shall conform to EN 55022/32 Class A/B or CISPR22/32 Class A/B or CE Class A/B or FCC Class A/B Standards for EMC (Electro Magnetic Compatibility) requirements.
